

Assessment Corrective Action Categories

Any question that has a result of “Unacceptable” on an Assessment Form will automatically trigger a Corrective Action. Corrective Action Categories are a way to group these questions into their own categories. Some examples would be Health, Medication, Euthanasia, Training, and Documentation.

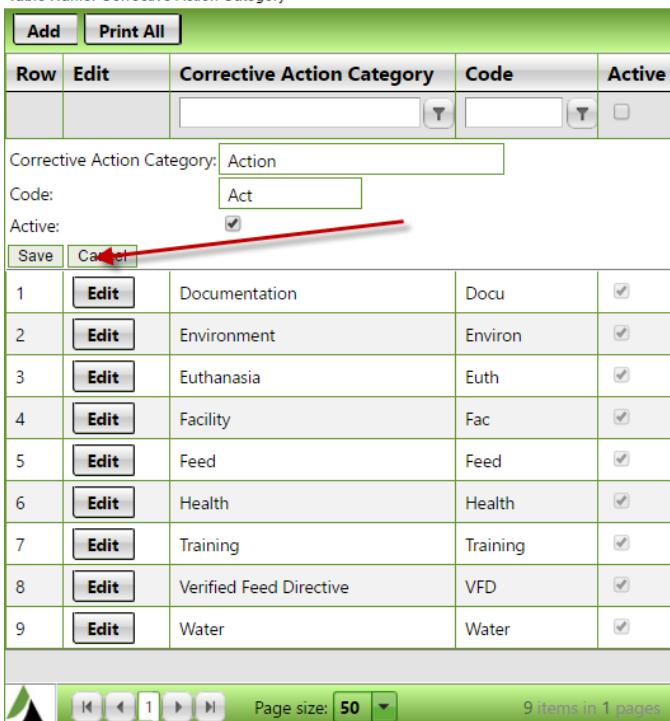

The screenshot shows the MetaFarms software interface. The top navigation bar includes tabs for Favorites, Sow, Feed, Finish, Sales, Finance, Assurance, Analytics, and Change Company. The Assurance tab is selected. On the left, there's a sidebar with links like 'Assessment Form Setup', 'Assessment Regions', 'Assessment Stages', 'Assessment Types', 'Assessment Version', 'Assurance Type', 'Auditor', and 'Corrective Action Category'. The main area is divided into 'Data Entry' and 'Reports' sections. The 'Data Entry' section has links for 'Schedule Assessments', 'Enter Assessment Results', and 'Review Corrective Actions'. The 'Reports' section has a 'Setup' button. Below the 'Setup' button, there are three columns: 'Assurance Attributes', 'Forms Setup', and 'Company Attributes'. The 'Assurance Attributes' column lists 'Assessment Comments', 'Assessment Regions', 'Assessment Stages', 'Assessment Types', 'Assessment Version', 'Assurance Type', 'Auditor', and 'Corrective Action Category'. The 'Forms Setup' column lists 'Assessment Form Setup' and 'Assessment Site Setup'. The 'Company Attributes' column lists 'Producers/Sites/Barns*', 'Production Calendar*', 'Personnel Setup', 'Assign Personnel', and 'Units of Measure'.

Your data entry grid will come up. The code must be unique.

Click the Add button and fill out the grid. Click Save.

Table Name: Corrective Action Category

The screenshot shows the 'Corrective Action Category' data entry grid. At the top, there are 'Add' and 'Print All' buttons. Below them is a table with columns: Row, Edit, Corrective Action Category, Code, and Active. The table contains 9 rows of data. Below the table, there are input fields for 'Corrective Action Category:', 'Code:', and 'Active:'. The 'Corrective Action Category:' field has a dropdown menu with 'Action' selected. The 'Code:' field has a dropdown menu with 'Act' selected. The 'Active:' field has a checkbox that is checked. Below these fields are 'Save' and 'Cancel' buttons. A red arrow points from the 'Cancel' button to the 'Corrective Action Category:' field. At the bottom, there is a navigation bar with a logo, navigation buttons, 'Page size: 50', and '9 items in 1 pages'.
