

## Mobile Application - Entering Results

Once you have synced your assessments to the mobile device, you can enter in assessment results or view the history of your assessments for a given site (if you selected that option during the syncing process). You can complete assessments or view history while on Wi-Fi or when offline. You have the option of entering the assessment on the device while either holding it horizontally or vertically. **\*\*NOTE:** When entering assessments vertically, you will have a different menu view. The screen shots below assume you are holding the device horizontally.

To view site history, touch History

To start your assessment, touch Begin

Ctrl Sym English(US)

At the end of the assessment you are able to write in more comments.

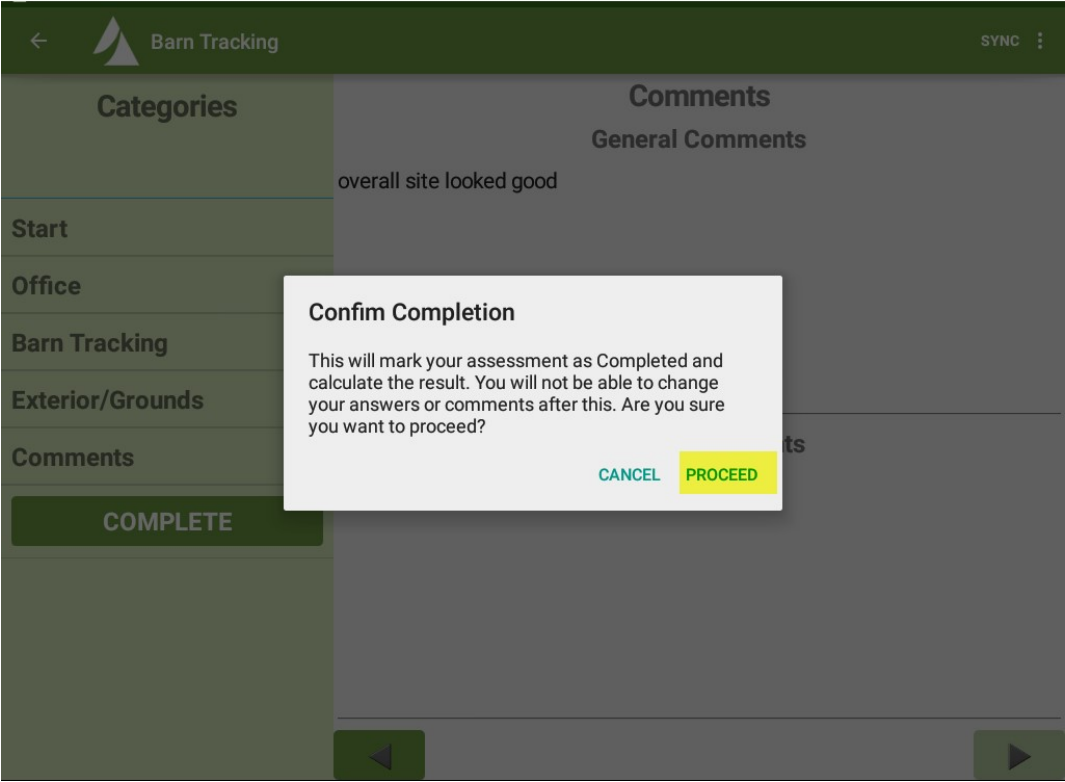

The screenshot shows the 'Barn Tracking' app interface. The top bar is green with a back arrow, a logo, the text 'Barn Tracking', and a 'SYNC' button with a dropdown arrow. Below this is a green sidebar menu with items: 'Categories', 'Start', 'Office', 'Barn Tracking', 'Exterior/Grounds', and 'Comments'. The main area is titled 'Comments' and has two sections: 'General Comments' with the text 'overall site looked good' and 'Auditor Comments' with the text 'will be back in a month'. A keyboard is overlaid on the bottom half of the screen, showing the 'ago' and 'or' options at the top, and a full QWERTY keyboard below. The status bar at the top right shows the time as 10:47 AM.

At the end of the assessment, you are able to write in more comments.

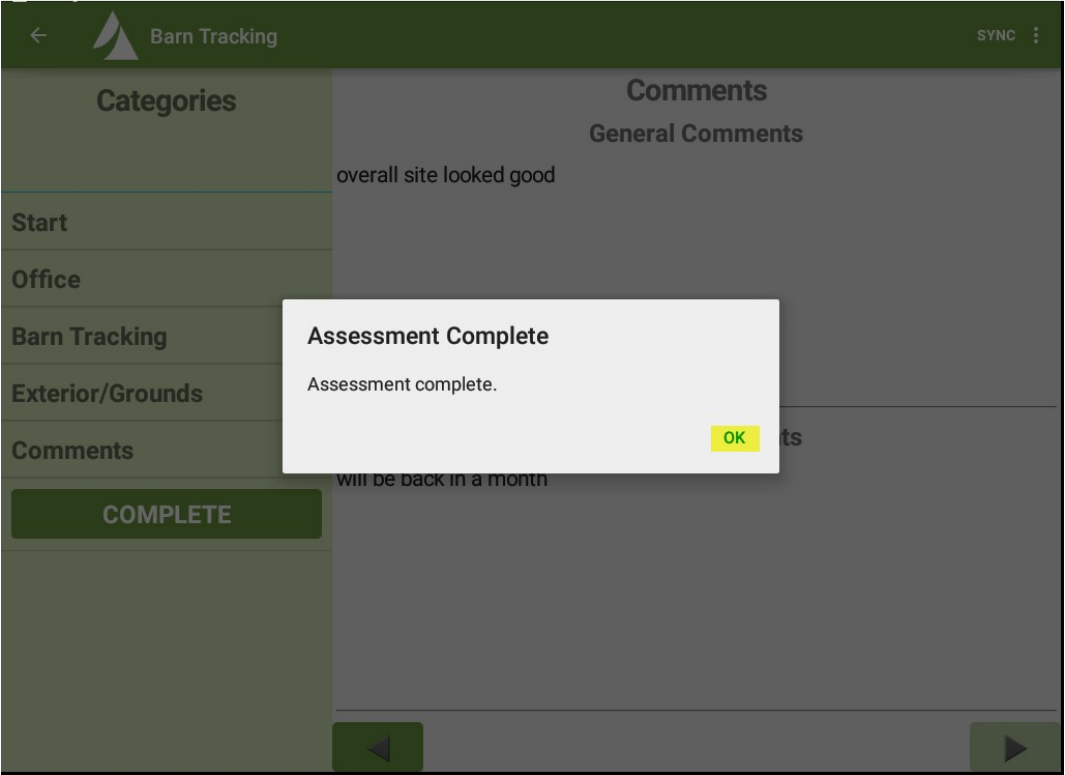

When you are done filling out your assessment click on the Complete button

This screenshot is similar to the one above, showing the 'Barn Tracking' app interface. The sidebar menu is visible, and the 'Comments' section is active. A red arrow points from the top of the screen down to the 'COMPLETE' button, which is a green button with white text located at the bottom of the sidebar menu. The main area shows the same 'General Comments' and 'Auditor Comments' sections. The status bar at the top right shows the time as 10:47 AM.

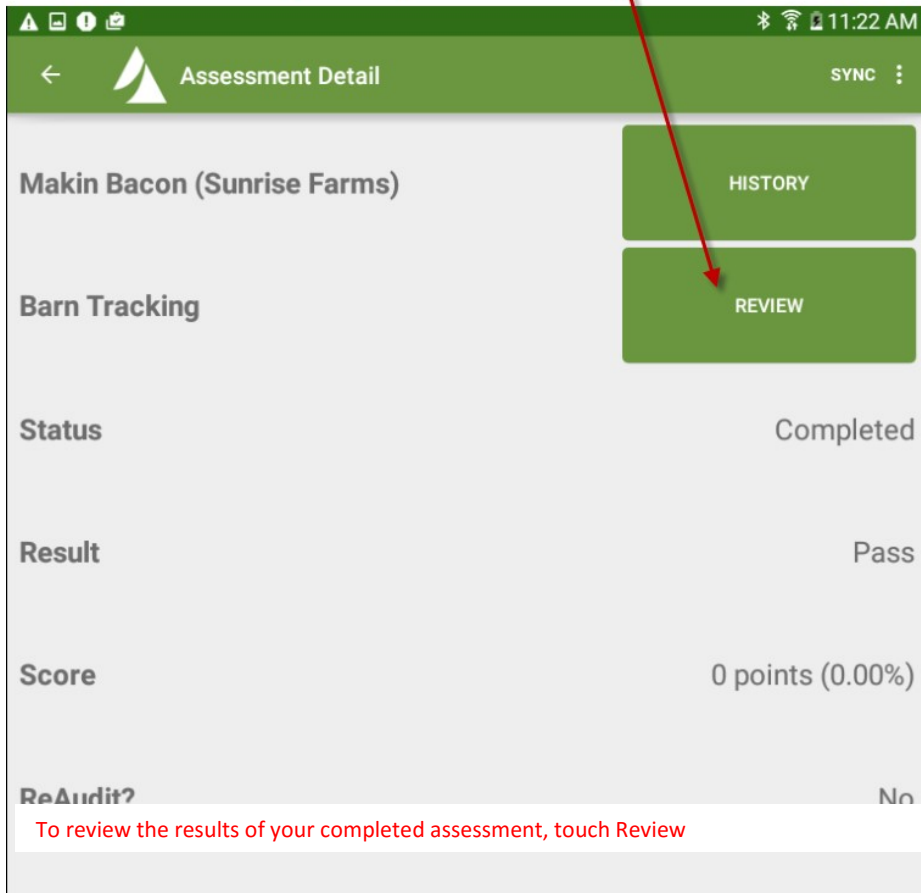

If Your assessment is now complete. Touch OK.  
will not be able to make edit's once the assessment is completed on the tablet.

Your assessment is now complete, click on OK.

To review the results of your completed assessment click Review

You will then see the results of your assessment. \*\*Note to

You will then see the results of your assessment. \*\* Note: To see how to print an assessment, refer to the Mobile Application Printing section.
