Packer Imports

Packer Import: Home1

Header Import File:

Detail Import File: Not Present: ☐

1. Choose packer you want to import.

2. Insert Header file

3. Insert Detail file

4. Click Upload

Note: Some Packers have only one file to upload.

The loads will come up in the grid below. (If you see ** behind the OK, this means these loads are already imported)
They can be deleted unless you are choosing to import them again.

Data is ready to import. Please press the IMPORT button.

Packer Import: Triumph

Header Import File:

Detail Import File: Not Present: ☐

Click the Import button to send the loads to Packer Sales.
