

## Movement Search

The Movement Search screen allows you to search for a variety of things in a variety of ways. You may also add movements from this screen by clicking the Add Movements button.

You may enter specific search criteria or use one of the other buttons to bring up a variety of information. After choosing your search criteria, the results will appear below the screen. You will then have the option to Edit or Delete the Movement. (See bottom of screen)

Most common searches are:

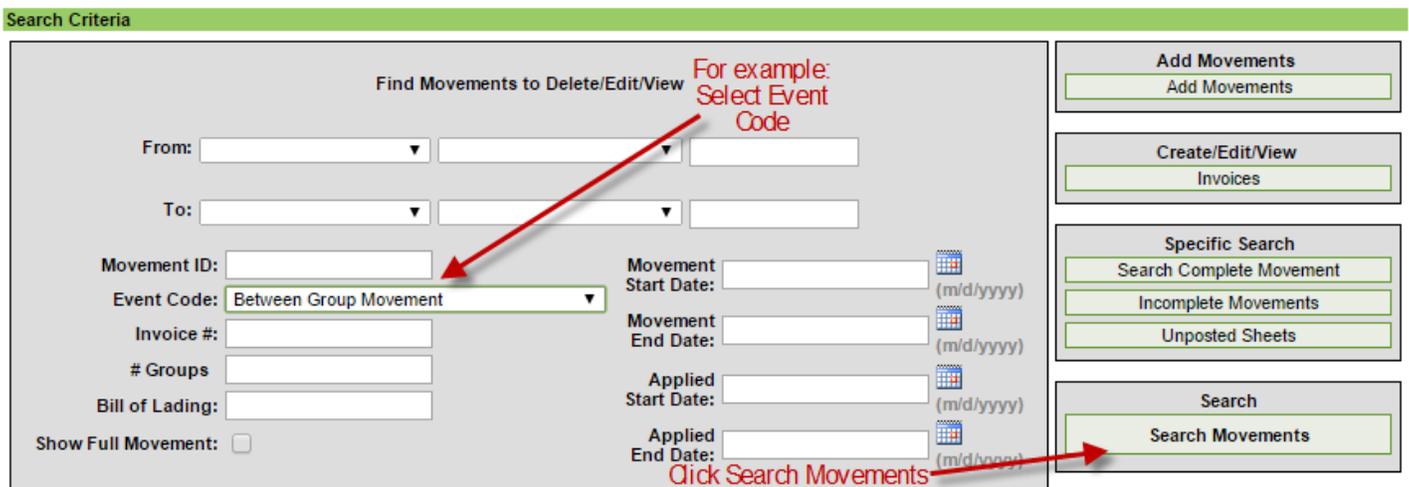

- Movement ID – you can get this number from the Group Detail Closeout report
- Event Code
- Start Date and End Date

The screenshot shows the MetaFarms navigation menu with the following sections:

- Group:** Create a Group, Find a Group, Open/Close Group, Recalculate Group
- Events:** Mortality, Treatments, Expenses, Health Scores, Comments, Vet Visits, Estimated Weight, Pig Inventory, Pig Ownership
- Health:** Treatments, Health Scores, Vet Visits
- Move Pigs:** Create a Movement, **Movements Search**

Note: You can also find this option from the Sow Manager, Data Entry menu.

The screenshot shows the 'Search Criteria' form with the following fields and annotations:

- Find Movements to Delete/Edit/View:** From: [dropdown], To: [dropdown]
- Event Code:** [Between Group Movement] (Annotated with a red arrow and text: "For example: Select Event Code")
- Search Buttons:** Add Movements, Create/Edit/View Invoices, Specific Search (Search Complete Movement, Incomplete Movements, Unposted Sheets), Search (Search Movements) (Annotated with a red arrow and text: "Click Search Movements")

Note: You do not have to have the full Movement ID. If you know what it starts with you may enter that. If you know some of the numbers, you can enter it as shown in the below example with a % in front of the numbers. This will give you everything that includes the numbers you enter.

**Search Criteria**

**Find Movements to Delete/Edit/View**

**Search**  
Search Movements

Once Selections are made, click the Search button

Once your selection is brought up in the grid below, you will be able to Edit or Delete the movement. If you try to edit or delete a movement that is attached to a Closed group or a Posted sheet, you will get an error and not be allowed to do this, just contact Customer Support and we can delete it for you.
