

Packers

The screenshot shows the MetaFarms navigation menu. The 'Sales' tab is selected. Under the 'Imports' section, the 'Packers' option is highlighted with a yellow star icon. Other options in the 'Imports' section include 'Create a Sale', 'Find a Sale', and 'Assign a Group & Create Movements'. The 'Animal Movements' section includes 'Create a Movement' and 'Movements Search'. The 'Reports' and 'Setup' tabs are also visible.

Your list of packers that was set up during your implementation will come up. To add an additional packer click on Add Packer.

The screenshot shows the 'Packers' search and list interface. The 'Add Packer' button is highlighted with a red arrow. The interface includes a search bar, a table of packers, and a footer with navigation controls and page information.
