Your data entry grid will come up. There will be a default set of Reasons in this grid. You may edit any of the Reasons or Codes. Note fields with a (\*) are required. Others are optional. The code is what you will use during data entry and must be unique. If you need to add more click the Add button.

Table: Sow Removal Reasons\*

Sort Columns ▼			
Row #	*Reason	*Code	Active
1	Sow Transfer	30	<input checked="" type="checkbox"/>

A grid will come up with pre-defined Sow Removal Reasons. If you see the Reason you need to add, click the checkbox to the left of it. If you do not see the Reason you need to add, check the checkbox to the left of a “Company Defined” category. After you have your boxes checked, click Save. You will be able to edit on the next grid.

Save (Ctrl-S)    Print All    Show Table
